Monday, April 1, 1793

London, April 1. Lefterday arrived a Mail from France.

Majewa, February 26.

H. E. Czar, after the Execution of feveral States Prifoners, for out from bence directly for Petersbourg by Way of Veronits. Notwithflanding the Various ports relating in the Occasion of the Beron befire? Different its hard which of them to be for the truck. There are not Perion to few the truck of There are not Perion to be for the truck of the maje almost the only Confident to whom the being almost the only Confident to the being the confident of the being the confident with the Rayman Majer and the few of the Cartain Majer with infinite Difficulties as well from a lands of Helle Homburg a which is importedly old more with infinite Difficulties as well from a lands of Helle Homburg a which is importedly of Mulcovite Brindlity. Others respective, the the Baron had Kill comigh to induce he Cartain Mulcovite Brindlity. Others respective, the majority of his Mafter's Secrets, and had the nell Oppartunity of growing immensiely Rich and the nell Oppartunity of growing immensiely Rich and the nell Oppartunity of growing immensiely Rich and the new alm fach through Appearance of Crimes that he works the Greatele Minites has Colleague, who omight diagled his Oppartunities with the Cartain Minites has Colleague, who omight diagled his Oppartunities and Charges him to be fundenly serefeed, and charges in fach through Appearance of Crimes that he would be a state of the Cartain Minites has Colleague, who omight diagle that the Greatele with the Troops of Miri Ways and the Proof of the Cartain Minites with the Cartain Advice, that the Troops of Miri Ways and the Proof of the Cartain Minites with the Proof of the Cartain Min

int we have an Account, that large Stores of pelions and Ammunition are providing these for letrice of a confiderable Body of Troops which he transposed to Centa, is order to diddigate the first which has lately been reinforbefore that Place, and to demolificall the following and other Works which they have not carried on that Beeg. The lapposition is to carried on that Beeg. The lapposition is to carried on that Beeg. The lapposition is to the Flots which is intended to be different about the End of April for Play-Spain, by billiged to take a the Language what come is Bolland and Hamburg which are therefore the billiged to take a the Language whether the billiged and Hamburg which are therefore the Dutte de Rooms was under a present of Spain.

Town March 2.4. Missions Royale having been four Days common to the field be ladified a hogan on the 20th latter. In the part of the laurer; but the modell very work, and any area. Oreal, that there is but laurer Roye of the Creater. On the 21st the Magnitumen of the Creater.

Majedies and the Prince; to make their Compilement of Coudeleaves on the Dezen of the Prince of the

Parit, March 31. A Promotion of Knights of the Haly Choft will be made in a few Days, the King having ordered a Chapter of the Order to be frightnessed. The Cardinal da Boin first Missistenhanness indispoted, but is now pretty well, reconvered. Govern Rotemboorg is animed one of the most Christian Kings - Heripotentualies for the Cangress at Catobray, in the Rosen of Country Marville lively made Secretary of State.

Parti, April 7. It situal to be retolered open in Competition that the inf Indiana, that a General Reform that he made at the Troope, so the Number of 20000 Indianately, the Goods of Corp., five Troopers out of each Troop of Meric, and in diffusion all the Dragoons is that all the Captains of Fiorie and Dragoons shall have Leave to dust the Service, the not to fell their Ports is because the King will gut to every Captain of Horie who is willing to retter the Livers in Money, and four Layers a Rest Pention. The Captain of Merican is reflecting for the King's Urie, his being expected there the 12th Infrant, and the Amount, formerly Ambuffadous from this Court to this of Great drivers, cited Tellering on Apaplexy: To it luctuated in his Posts and Diponity by his Soot the Marquets de Willequies. It is generally discounted, that a Towny Teste Troops agreed upon between the Piness of Legents.
